

Town & Country Nursery School, Inc.

STEP Parenting Classes Spring 2026

Our 6-week Parenting Class is based on the textbook Systematic Training for Effective Parenting by Don Dinkmeyer. This explains the philosophy of Rudolf Dreikurs which we use at Town & Country. The courses teach practical skills for positive child rearing and discipline.

Miss Sharon will teach and lead discussions for these classes. This Basic STEP course will be offered on **Tuesday afternoons from 12:30-2:00pm** and on **Tuesday evenings from 6:00-7:30pm**. Both classes are facilitated by Miss Sharon over a period of 6 weeks and begin on **Tuesday April 14** in the Town & Country library. Child Care is available at the usual Lunch Bunch rate for the afternoon classes.

The course textbook, Systematic Training for Effective Parenting, is available for purchase in the office for \$17.00. An additional book entitled Children, the Challenge by Rudolf Dreikurs is available at local bookstores or on Amazon.com and is very valuable.

If you are interested in joining one of these classes, please return the tear-off below with your check made payable to: Sharon McCandless or Venmo @Sharon-Mccandless
The fee for each class is **\$100.00 per person**. This does not include the textbook.
